The scenery becomes even more dramatic as we follow the brilliant blue waters of Abraham Lake, surrounded by rugged peaks and vast mountain wilderness. Our destination is Saskatchewan River Crossing, where we settle into our spectacular Rocky Mountain surroundings and gather for a hearty Welcome Dinner—the perfect chance to get acquainted with fellow travellers and new friends as our adventure begins.

Day 2 - Sat May 29 *Saskatchewan River Crossing, AB - Waterfalls, Glaciers & Mountain Giants*

Our journey continues north along the legendary Icefields Parkway, where glaciers, turquoise rivers and towering peaks create spectacular views around every bend. Stops at the thundering Sunwapta Falls and powerful Athabasca Falls bring us up close to two of Jasper National Park's most impressive natural wonders.

Following a brief stop in Jasper, we turn west toward Mount Robson, rising 3,954 metres as the highest peak in the Canadian Rockies. Pause beneath this mountain giant for an included lunch while soaking in the incredible surroundings.

From Valemount, our route turns south along the scenic Yellowhead Highway, travelling through the broad North Thompson Valley with the river winding alongside us. Forested mountains, rushing waterways and small communities accompany the drive as we pass through Blue River and gradually leave the towering Rockies behind for the lush landscapes of British Columbia's interior. Our destination is Clearwater, the gateway to magnificent Wells Gray Provincial Park and our home for the evening.

Day 3 - Sun May 30 *Clearwater - Wells Gray Park - Sun Peaks, BC - Canada's Waterfalls & Volcanoes Park*

A spectacular day of waterfalls and wilderness awaits in Wells Gray Provincial Park. Our journey begins at Spahats Falls, followed by panoramic views across the Clearwater Valley and a walk among the towering trees of the Grove of Giants.

Deeper into the park, watch for glimpses of the extinct Pyramid Mountain volcano before arriving at Dawson Falls, where the Murtle River tumbles across an impressive 90-metre-wide cascade. Along the way, we'll pause for an included lunch amid the beautiful surroundings of Wells Gray before continuing past Mushbowl Canyon, another striking example of the powerful forces that shaped this remarkable landscape.

The showstopper is magnificent Helmcken Falls, plunging an awe-inspiring 141 metres over a volcanic cliff into the canyon below. Its tremendous power and dramatic wilderness setting provide a fitting finale to our Wells Gray adventure.

Retracing our route out of the park, we leave the waterfalls behind and follow the North Thompson Valley south toward Kamloops, watching the landscape gradually change from lush mountain forests to the rolling hills and open country of BC's Interior. Settle into the Coast Hotel for a relaxing evening after a memorable day surrounded by some of British Columbia's most spectacular natural wonders.

A pause at the Rogers Pass Discovery Centre offers time to take in the sweeping mountain views and appreciate the remarkable story of transportation through this challenging alpine corridor.

Our route continues through Golden before climbing toward Kicking Horse Pass, where towering peaks and deep valleys accompany us to the Continental Divide. Crossing this natural boundary brings us back into Alberta and the familiar beauty of Lake Louise, Banff and Canmore as the Rockies gradually give way to the rolling foothills and open prairie.
