Our route continues south and then west, travelling through the changing landscapes of British Columbia before joining the Coquihalla Highway. Sweeping mountain vistas, deep valleys, forested slopes, and dramatic highway passes accompany the journey as we cross the rugged interior. Gradually, the mountains open toward the fertile Fraser Valley and the communities of the Lower Mainland.

By late afternoon, the Fraser River welcomes us to New Westminster and the beautifully situated Inn at the Quay, our waterfront home for the next two evenings. Nestled along the lively boardwalk, the hotel offers easy access to riverside pathways, local shops, and inviting cafés. Time to settle in and explore the waterfront reveals why this historic riverside community remains one of the Lower Mainland's hidden gems.

Day 4 – Wed Jun 09 *Sea to Sky Adventure – Where Mountains Meet the Sea*

Few drives in the world rival the beauty of British Columbia's legendary Sea-to-Sky Highway. Winding along the rugged shoreline of Howe Sound, this spectacular route reveals dramatic coastal vistas, soaring granite cliffs, and snow-capped mountain peaks rising from the ocean's edge.

The Sea to Sky Gondola carries us high above the valley floor, where breathtaking panoramas stretch in every direction. Well-maintained summit trails invite exploration through alpine landscapes and coastal forests, while interpretive pathways reveal the natural history of the region. For those seeking a thrill, the Sky Pilot Suspension Bridge spans a dramatic mountain chasm nearly 100 metres across, offering unforgettable views and a remarkable sense of scale above the valley below. Lunch enjoyed at the summit provides an opportunity to savour both the scenery and the moment.

Back at sea level, the thunderous waters of Shannon Falls showcase one of British Columbia's most impressive waterfalls before a visit to the historic Britannia Mine Museum uncovers stories of the miners and communities that helped shape the province's development.

The day concludes at the renowned Harrison Hot Springs Resort, nestled along the shores of beautiful Harrison Lake. Surrounded by mountain scenery and tranquil waters, this lakeside retreat offers the perfect setting to unwind. Enjoy a relaxing evening, take advantage of the resort's famous mineral hot springs, or simply stroll the waterfront and soak in the peaceful atmosphere of this charming resort community.

Day 5 – Thurs Jun 10 *Harrison Hot Springs to Penticton – From Healing Waters to Okanagan Vintages*

Meals Included: Breakfast , Dinner

There's plenty of time for one more relaxing soak in the mineral-rich hot springs before saying farewell to Harrison and setting out along the scenic Crowsnest Highway.

One of British Columbia's most dramatic landmarks awaits at the Hope Slide, where a massive mountainside collapse in 1965 forever reshaped the landscape. A stop here provides an opportunity to take in the immense scale of this natural event and the powerful forces that created the landscape we see today.

Our route continues into the Similkameen Valley and the historic community of Princeton, shaped by generations of ranching and copper mining. Pause here for lunch on your own, along with time to stretch your legs and explore the town's collection of bronze sculptures, which bring local wildlife and western heritage to life along the streets of this welcoming community.

The scenery transforms once again as we enter British Columbia's celebrated Okanagan wine country. Rolling vineyards, thriving orchards, sparkling lakes, and sun-drenched hillsides create a landscape unlike any other in Canada. A visit to one of the region's acclaimed wineries offers a chance to sample local wines while enjoying beautiful vineyard surroundings and discovering the flavours that have earned the Okanagan an international reputation.

Nestled on the shores of Okanagan Lake, the Penticton Lakeside Resort welcomes us for a relaxing two-night stay. Stroll the lakeside promenade, explore the waterfront, or simply settle in and admire the beautiful surroundings of one of British Columbia's favourite resort communities. An included dinner brings us together this evening, the perfect way to relax and enjoy our first night in the heart of the Okanagan.

Day 6 – Fri Jun 11 *Penticton at Leisure – Lakefront in the Heart of the Okanagan*

A full day at leisure provides the perfect opportunity to embrace the relaxed pace and natural beauty of the Okanagan Valley. Nestled between Okanagan Lake and Skaha Lake, Penticton offers an inviting blend of sunshine, waterfront charm, and small-town hospitality.

The sandy beaches and scenic promenade are ideal for a leisurely stroll, while the historic S.S. Sicamous stands proudly along the shoreline as a fascinating reminder of the region's early transportation history. Boutique shops, cafés, galleries, and local attractions offer plenty of opportunities to explore at your own pace, while those feeling lucky may wish to visit the nearby casino.

For those who wish, join us this afternoon as we visit a few local wineries, sampling some of the flavours that have made the Okanagan one of Canada's most celebrated wine regions. Or simply choose to relax the day away and enjoy everything this amazing lakefront property has to offer.

Perhaps the greatest pleasure is simply enjoying the amenities and spectacular setting of the Penticton Lakeside Resort. Settle into a comfortable chair overlooking the lake with a favourite book, enjoy a friendly game of cards, share some quiet conversation with fellow travellers, or simply soak up the warm Okanagan sunshine. Day 7 – Sat Jun 12 *Orchards, Vineyards & Farewell Cheers*

Meals Included: Breakfast, Ice Cream, Farewell Dinner

Spend a relaxing day meandering through the Okanagan Valley, with the sparkling waters of Okanagan Lake accompanying our route northward through one of British Columbia's most picturesque regions. Kelowna's fertile orchards, renowned wineries, and sun-soaked vineyards showcase the agricultural abundance that has made the valley famous throughout Canada and beyond.

Further north, the brilliant turquoise waters of Kalamalka Lake provide another spectacular backdrop as we make our way into Vernon. A visit to Davison Orchards includes a farm tour through this family-run operation, along with time to browse the market, shop for local goodies, and enjoy lunch on your own surrounded by beautiful Okanagan countryside.

Continuing through the North Okanagan and into Sicamous, there's always room for a treat! A stop at D Dutchmen Dairy means ice cream all around, a refreshing taste of this longtime local favourite before our route turns eastward through the forested Eagle Valley toward Revelstoke.

One more impressive experience awaits with a tour of the Revelstoke Dam, a massive hydroelectric facility spanning the Columbia River. Rising 175 metres above its foundation, the dam and generating station offer a fascinating look at how the tremendous power of the Columbia River is harnessed to produce electricity for British Columbia. From its enormous turbines to the scale of the structure itself, the tour provides a remarkable glimpse into one of the province's great engineering achievements.

We return once again to the welcoming Coast Hillcrest Hotel, where familiar mountain views provide the perfect setting for our final evening together. Gather for an included Farewell Dinner, sharing favourite moments, plenty of stories, and perhaps a few laughs with fellow travellers as we celebrate the experiences and friendships that have made our journey through British Columbia so memorable.
