Back on land, enjoy an included lunch before our route carries us across the island to Gander, arriving on a day that holds special significance for this remarkable community. On September 11, 2001, when U.S. airspace was closed following the terrorist attacks, 38 passenger aircraft carrying nearly 7,000 people were diverted to Gander International Airport—almost doubling the town's population in a matter of hours.

For the next five days, residents of Gander and the surrounding communities opened their homes, schools and hearts to thousands of unexpected visitors known as "Come From Aways." Their extraordinary generosity captured the attention of the world and later inspired the hit musical Come From Away. Arriving on the anniversary of that historic day gives our visit special meaning as we reflect on an unforgettable story of kindness, compassion and Newfoundland hospitality.

Overnight: Sinbads Hotel and Suites

Settle into the charming Historic Glynmill Inn, an enduring part of Corner Brook's heritage, and gather for an included dinner. As evening settles in, there may be time for a peaceful stroll around nearby Glynmill Pond—a relaxing finish to a day filled with rugged shores, maritime traditions and Newfoundland history.

Meals Included: Breakfast, Lunch

Discover the stories, scenery and traditions that make Prince Edward Island so unforgettable. A locally guided tour introduces us to Charlottetown, the historic Birthplace of Confederation, before leaving the city behind for the rolling farmland and beautiful coastal landscapes of PEI's famous North Shore.

Step into the pages of a Canadian classic at Green Gables Heritage Place, where the setting that inspired Lucy Maud Montgomery's beloved Anne of Green Gables comes to life. Continue to Cavendish Beach, where red sandstone cliffs, sweeping dunes and the waters of the Gulf of St. Lawrence create one of the Island's signature landscapes. Return to Charlottetown with the late afternoon and evening at your leisure. Wander the historic streets, browse the shops, find a favourite local restaurant or simply soak up the atmosphere of this wonderfully walkable Maritime city.

An early afternoon arrival in Miramichi gives us time to slow the pace and enjoy this beautiful riverside community. Our home for the night is the Rodd Miramichi River, set directly along the banks of the Miramichi River in the heart of downtown. Expansive river views, easy walking access to Historic Water Street and genuine Maritime hospitality make this waterfront hotel the perfect place to settle in and enjoy the rhythm of life along the river.

Take a leisurely stroll along the waterfront or simply relax on your river-facing patio, enjoying the warm fall air and views of the impressive Centennial Bridge, rising 240 feet above the water and stretching approximately 1.1 kilometres across the Miramichi River.

Day 11 – Sun Sep. 19 *Miramichi to Moncton, NB – Chasing Tides on the Bay of Fundy*

Meals Included: Breakfast, Lunch

Our day remains flexible by design, as Mother Nature sets the schedule along the Bay of Fundy. We'll arrange our sightseeing and other attractions around the best possible opportunity to experience Hopewell Rocks Provincial Park near low tide, ensuring we make the most of our visit to one of New Brunswick's most remarkable natural wonders.

At the Ocean Tidal Exploration Site, witness the extraordinary power of the world's highest tides, where billions of tonnes of seawater continually reshape the coastline. Depending on the tide, we may have the opportunity to descend to the ocean floor and walk among the towering Hopewell Rocks, carved by centuries of wind, water and erosion. Just hours later, the very ground beneath our feet can disappear beneath the rising waters of the Bay of Fundy.

Other sightseeing experiences will be woven into our day once the tidal schedule is confirmed, allowing us to enjoy the region without rushing this unforgettable natural phenomenon.

Our journey concludes in Moncton, where our hotel overlooks the Petitcodiac River, another fascinating place to witness the influence of the Bay of Fundy. Settle in and watch the river from above, where the changing tides and famous tidal bore provide one more reminder of the incredible forces of nature that define this corner of Atlantic Canada.

Sweeping viewpoints and beautiful coastal scenery showcase another side of New Brunswick as we make our way toward the picturesque village of St. Martins.

Pause in St. Martins with time for lunch on your own before heading to the beach to explore the famous St. Martins Sea Caves. Carved into towering red sandstone cliffs by the relentless Fundy tides, these impressive formations offer a fascinating glimpse at the power of the sea and the ever-changing coastline.

Our route continues to Saint John, where we witness the remarkable Reversing Falls Rapids. Here, the enormous tides of the Bay of Fundy meet the flow of the Saint John River, creating powerful rapids and the extraordinary phenomenon that causes the river's flow to reverse with the changing tide.

Settle into our downtown Saint John hotel, perfectly situated for an afternoon of exploring at your own pace. Step outside and discover the historic waterfront, browse the Saint John City Market, explore the colourful Container Village, wander through nearby shops and galleries, or simply find a favourite spot along the harbour and enjoy the atmosphere of this historic port city.

Our coastal journey continues to Old Town Lunenburg, a UNESCO World Heritage Site filled with colourful buildings, historic streets and a proud seafaring legacy. A guided walking tour brings the town's fascinating past to life before plenty of free time allows you to explore the waterfront at your own pace. Along the way, hear the remarkable story of the Halifax Explosion of 1917 and how this devastating event forever shaped the city and its people.

Our journey through Halifax's past continues at the Canadian Museum of Immigration at Pier 21, once one of Canada's most important gateways for newcomers. Between 1928 and 1971, nearly one million immigrants arrived through Pier 21, carrying their belongings, dreams and hopes for a new beginning. Through personal stories, artifacts and interactive exhibits, discover the experiences of those who stepped ashore here and went on to help shape communities across Canada.

For those with family connections to Canada's immigration story, the visit may become even more personal. Pier 21's Scotiabank Family History Centre offers resources that can help trace ancestors who arrived through Halifax and other Canadian ports, providing a fascinating opportunity to uncover a piece of your own family history.
